Stark Enterprises Closes on Teal Ridge Village A Build-to-Rent Community in Nebraska

Apartment Home Project Expands Developer's Portfolio and Marks Entry into Ninth U.S. State

Gretna, NE (April 22, 2025) Stark Enterprises, in partnership with Stark Living and Arbor Construction, proudly announces the successful closing of construction financing with Bankers Trust for its latest build-to-rent development, **Teal Ridge Village**, located at the intersection of Schram Road and 186th Street in Gretna, Nebraska — a growing suburb just outside Omaha. With this milestone achieved, Stark Enterprises will now break ground on the project, marking the company's expansion into its **ninth state overall** and **third state within its build-to-rent platform**, further advancing its growing national residential strategy.

Teal Ridge Village — The Place to Call Home. *We build the space, you make it a home!* Situated on a thoughtfully selected 43.7-acre site in Gretna, Nebraska, a fast-growing suburb within the Omaha MSA, Teal Ridge Village will feature 244 beautifully designed 1-, 2-, and 3-bedroom ranch-style homes. These single-level residences are built to offer the ease and convenience of apartment living, combined with the comfort, space, and privacy of a single-family home.

"We are excited to embark on our next build-to-rent venture with Teal Ridge Village," said Ezra Stark, Chief Executive Officer of Stark Enterprises. "With financing completed, we're not only growing our residential platform into the Midwest, but also reaffirming our mission to build vibrant, purpose-built communities that meet the rising demand for high-quality rental housing across the country."
